By Order,

R. A. Gayde

Chief Secretary to Government.

2 The approximate savings works out to Rs 50,000/- per annum, which will occur only gradually as the new scale comes into operation.

3 Two posts of Junior Assistant Directors of Agriculture have been added to the higher scale of Rs 300-25-600. This has the effect of increasing the cost in that scale immediately irrespective of vacancies. This is not a result contemplated now as what we required was retrenchment if possible, and not increase of pay in any case. Two existing junior officers should not therefore be promoted to the higher scale immediately. These places have to be filled up in the course of time as new entrants on the new scale are appointed to the lower grade. If this is done, one new appointment in the higher grade will be made as one appointment in the lower grade is made under new scale.

It is for orders if this should not be included in the order to issue.

Subd. There are now only four Asst Directors but in the revised Scale there are five – two Seniors & three juniors. It is presumed that the Head Quarters Asst to the Dir. of Afft. has been taken into account of the number mentioned as five. If this is so, one of the posts of the Senior Asst Dirs has perhaps to be filled up immediately as the Hd Q^rs Asst to the Dir, Mr Bhima Rao has been temporarily given Rs 375/- p.m. pending revision of Scales of pay. (permanent pay Rs 350/- p.m.) But in the dft G.O. it is stated that "appointments to the new grade of Senior Asst Dirs will be made only as & when vacancies occur in the present grade & corresponding appointments are made in the new grade of Asst Dirs." The place of (the Hd Qrs Asst Mr Bhima Rao) has perhaps to be fixed in the order to issue.

Extract of the Council Resolution re the posts of artists has been taken & will be worked up separately. D. No. 104/D.

As regards the number of posts in each grade, it seems desirable to get them verified by the Compt^r as suggested in paras 4 & 6 above.

The number of Assistant Directors of Agriculture on Rs 150-20-350 was taken as five as shown in the Civil List (January 1934 -- page 87) and the Council Resolution based on this was to convert two of the posts into those of Senior Assistant Directors leaving the others in the lower grade on Rs 300-35-600. It is now found that one of the five Assistant Directors belongs to and is paid ~~from~~ by the Sugar Factory and the scale of Assistant Directors in the Department is really 4, and not 5. Even out of these 4, one is temporary -- sanctioned for three years for Chickmaglur. It is for consideration now ~~as to~~ whether the post of Senior Assistant Directors should be 2 even when the sanctioned scale is found to be 3 permanent and 1 temporary or whether it may be reduced to 1.

As regards the post of the Headquarter Assistant, the last order dated 7th May 1934 was that Mr. Bhima Rao be appointed as such and his pay fixed at Rs 375 pending the revision of the scales of pay. In the Council Resolution the pay of this post has not been specifically ~~fixed~~ revised and it is very doubtful whether it could have been the intention to consider the post as one of Senior Assistant Director and fix the pay at Rs 300-25-600. I think, it is necessary to keep two posts in the higher grade as Senior Assistant Directors and two in the lower. Of these four posts, though one is now regarded temporary for a period of three years, it will have to be treated as a permanent post sooner or later, and we may therefore count it as permanent.

As regards the pay of the Head Quarter Assistant, I agree with the Financial Secretary that it may be fixed at Rs.200-40/2-400.

Final Note by the Second Member of Council.

Subject:—

Modifications in the proposals regarding the revision of the scales of pay in the Agricultural Department.

Pages 5 to 9 of Office Notes

With His Highness' gracious approval, the number of Assistant Directors of Agriculture was fixed at five in the revision of the scales of pay of the Agricultural Department. It has since been brought to notice that, as the pay of one of these posts is met by the Mysore Sugar Company, it may be left out of consideration. One is temporary for three years for Chickmagalur, but as it will have to be treated as permanent sooner or later, it may be counted as permanent and thus there will be four posts in all. Out of these four posts, it is proposed to treat two as Senior Assistant Directors and two in the lower grade.

Page 20 of Office Notes

It is also proposed to fix the pay of the Head Quarter Assistant to the Director of Agriculture at Rs.200-40/2-400. The pay of Mr. Bhima Rao, the present incumbent, was tentatively fixed at Rs.375, pending revision of the scales of pay, and action will now be taken to fix his pay in the new grade according to rules.
